DROPOSALS FOR WROUGHT AND CAST IRON WORK

DROPOSALS FOR WROUGHT AND CAST IRON WORK for the POST OFFICE AND COURT HOUSE, NEW YORK CITY. POST OFFICE AND COURT HOUSE, NEW YORK CITY, OFFICE AND COURT HOUSE, NEW YORK CITY, WROUGHT AND CAST IRON WORK.

Sealed proposals will be received at the office of the Superintendent until 12 o'clock M., 28th of May, 1870, for furuishing, delivering, fitting and putting in place the cast and wrought from work exhibited in plans and schedules now in this office, consisting of cast-iron column, bac-plates, &c, and wrough iron beams, girden, &c.

All of the castings must be sound, smooth and straight, east true and free from flaws or defects of any kind, and of the st quality of pig metal and of the number and weights shown by the schedule weight, and no surplus weight less than the schedule weight, and no surplus weight will be paid for, nor will any castings of less section, or varying in any respect from the requirements of the drawings be accepted.

accepted.

All bearings of columns, bases, plates, &c., must be planed or turned perfectly true, all bolt-holes drilled, and the entire work cleaned off and finashed in a first class manner.

The beams and girders must be of the manufacture of the Wartswort, Phoems or Pittsburg Union Iron Works, Cooper & Hewritt, or of other American manutacture equal thereto, and must be of the sizes and weights called for in the & Hewit, or of other American manutacture equal thereto, and must be of the sizes and weights called for in the schedules, and be the best wrought tron; they will be straight and sound, in all rospect of first quality.

All became set on brick work must rest on cast iron bedpates of the dimensions and numbers required by thespecifications and schedules.

All necessary boits, wedges, ties, angle irons, anchors, sheet lead or other materials neces sary to put the work together in the best manner and anchor it to the stone or brick walls, will be furnished by the contractor, who will put the entire work together and in place, to the complete satisfaction of the supernitendent, and as required by him.

The griders will be put together with bolts and steel wedges, as shown by drawings, and they, together with all beams and castings, will be tested by the Superintendent and if found defective in any particular will be rejected. The contractors will be permitted the use of the derricks and engines, in putting the work in place, without charge; in working them, who will be furnished by the department when required to pay the time of the men employed in working them, who will be furnished by the department when required to made by the plees for the various cast-tors.

Proposals will be made by the plees for the various cast-

when required. Scaffolding to be furnished by the contractors.

Proposals will be made by the plees for the various castings and beams, which will include the wedges, bolts, angle irons, clamps, ties, anchors, or other metal work necessary to fit and put the work in place, whether mentloned in drawings or schedules or not.

The work must be fornished, delivered, fitted and put in place complete, within three months after date of written notice to commence the work.

The work will not be subdivided among different bidders, but will be considered in the aggregate.

The schedules will be used in identifying the material and making the payments, which will be made monthly, deducting ten per cent until the final completion of the contract. All bids must be accompanied by a penal bond in the sum of \$10,000, that the bidder will accept and perform the contract if awarded him, the sufficiency of the security to be certified to by the District Attorney of the district where he resides.

certified to by the District Attorney of the classics watch are resides.

The Department reserves the right to reject any or all bids, if it be deemed for the interest of the government to do so; and any hid that is not made on the printed form to be obtained in this office, and does not conform in every respect to the requirements of this advertisement, will, not be considered, neither will any proposals be received from any parties who are not themselves engaged in the manufacture of east or wrought from work, and who have not the necessary facilities for getting out the castings or rolled beams.

Proposals will be endorsed "Bids for Iron Work," and addressed to

TO MANAGERS AND CAPITALISTS.—THE RSTATE known as the Boston Stating Rink, situated on Tremont street, Boston, Mass., will be sold or leased for a term of years to a responsible tenant. It will be sold at leased for a term of years to a responsible tenant. It will be sold at a great bargain. The lot contains upwards of 30,000 feet, fronting 117 feet on Tremont and 150 on Westfield sireet, and opening the part of the foundation of the season, resting on brick side walls, leaving the interior space unobstructed by supports of any kind. The foundations are beary, square grantic blocks resting on piles, and the walls are of the most solid and massive character, fanked with heavy buttersees. The front is of the best faced brick, and presents one of the finest architectural facades in the city.

For public amusements or assemblies the building would require no alteration, and it can readily be arranged for a foundary, machine shop, car or carriage factory, planing mill, stable, market, plano or furniture establishment, or for any manufacturing purpose, for the whole space can be divided as may be required, being entirely free from columns or partitions. Terms care, For further particulars apply to JONA-PRESTON, No. 8 Joy's Buildings, or to B. S. EVANS, 14 Traveller Building, Boston, Mass.
